

# STYLED BY LAYO TERMS OF SERVICE

Dear SBL Queens,

Kindly see our terms of service below;

**CONSULTATION-** All prospective clients are required to pay a non refundable and non deductible fee of N50,000(\$55) for either a virtual or physical consultation. During consultation, we recommend designs similar to your inspo as we do not replicate designs that are not by us. A manual sketch would be created during your consultation to visually communicate details of your design.

**MEASUREMENTS:** We will ensure to take your full detailed measurements during your virtual or physical consultation. For virtual measurements sessions, a member of our creative team will be direct on what and how to take the measurements. All you need to do is get a measurement tape ready.

**PRICING-** The Final price is dependent on the final design and fabric concluded on during your consultation with our creative team. Note that we do not recreate designs we didn't make. We only have starting prices and final price can only be determined by the creative director during consultation. Please click on the pricing guide link to view our starting prices for various categories of outfits.

**PAYMENT TERMS** - An 80% commitment deposit is required to begin production. The balance is due before delivery. Outfits cannot be picked up or delivered unless full payment has been made. We will not be liable to any client fails to make payment when due as production calendar reads from when deposit is made.

**PRODUCTION TIMELINE** : This may vary depending on type of design and number of outfits the prospective client intends to make. However, for bridal outfits we recommend you start the process at least 12- 15 weeks before your event. Date can be adjusted subject to when your event is.

Note that express orders attracts an additional charge depending on the time of need.

**FITTINGS** : Fittings are strictly by appointment and it is usually conducted at our showroom in Agungi, Lekki. Your fittings date will be communicated during consultation for walk in clients.

Ideally, we recommend two physical fitting, one before embellishments and one after embellishments.

In a situation where the client is not available to come in for any fitting, we will require your approval to get a model of similar measurements to yours so we can send proper fittings video to you, to see the proper fit of the outfit.

**DELIVERY/ PICK UP:** We ship worldwide using a well trusted delivery company. Delivery costs are not fixed as they are determined by location and weight of outfit. Once your order is ready for delivery a shipping cost will be generated for you and you would be required to pay in full before shipping can commence.

**STYLE ALTERATIONS:** We understand that one of the benefits of having a custom made outfit is the flexibility to be able to make changes to the style. However, any changes made 42hrs after consultation will be at an extra cost.

**WARRANTY:** WE WILL ENSURE YOUR OUTFIT FITS PERFECTLY AND LEAVES OUR STORE IN ITS BEST CONDITION BEFORE DELIVERY. ONCE THE OUTFIT IS IN THE POSSESSION OF THE CLIENT WE WILL TAKE NO RESPONSIBILITY FOR ANY DAMAGES EG RIPS/ STAINS ETC
